

## **HYGIENE PROGRAM**

Sponsored by: **VOCO**

Hygiene Direct is an exciting new educational program that is designed for hygienists and delivered by hygienists! This pre-recorded video session features two expert hygiene speakers tackling separate topics and sharing information that all hygienists can apply in their daily practices. The two presentations are combined into one program that includes challenging questions and prompts for interactive discussion among club members. This professionally produced dual-topic learning module runs approximately 100 minutes and serves as a self-contained program for an evening hygiene club meeting.

**PART I.**  
**TABETHA MAGNUSZEWSKI, RDH**  
**CAMBRA—**  
***Caries Management by Risk Assessment***

**PART II.**  
**SUZANNE NEWKIRK, RDH**  
***Addressing Periodontal Disease in a***  
***General Practice—Master the Message***

### *Learning Objectives*

- Identify how caries risk assessment can be implemented in your practice protocol.
- Master the language for speaking to patients about periodontal disease and how to control it.
- Describe and formulate, through group discussion, how best to incorporate these protocols into your recall maintenance or scaling/root planing appointments.

**Date: Thursday, November 7, 2019 6pm-9pm**
