

Dr. Roblee practiced general restorative dentistry in Dallas, Texas before going back to study graduate orthodontics at Baylor College of Dentistry. He is recognized worldwide for his work in esthetic dentistry, orthodontic techniques, and interdisciplinary therapy. He has given more than 500 professional presentations in the United States, Canada, Europe, Australia, and Japan. Dr. Roblee is a Diplomate of the American Board of Orthodontics. He is the author of numerous publications and videos, including a textbook entitled “Interdisciplinary Dentofacial Therapy: A Comprehensive Approach to Optimal Patient Care” (Quintessence Publishing Co., Inc.). He is an associate clinical professor at Baylor College of Dentistry in both the restorative and the orthodontic departments and is an active member in numerous prestigious dental organizations, including the American Academy of Fixed Prosthodontics, the American Academy of Restorative Dentistry, and the American Academy of Esthetic Dentistry of which Dr. Roblee is a Past-President.

“The Next Generation of Interdisciplinary Dentofacial Therapy (IDT): Digitally Empowered with and an Airway Focus”
